

MARYLAND DEFENSE COUNSEL, INC.

MEMBERSHIP APPLICATION | *Promoting justice. Providing solutions.*

PAC Contribution: \$10 of each member's dues is contributed directly to the MDC State PAC account to be used for political activities. State law requires political action committees to report the name, mailing address, occupation and name of employer for each individual whose contributions aggregate in excess of \$100 for state PACs in a calendar year.

The contribution amount is merely a suggestion and each member is free to contribute more or less than that amount, although particular designations shall apply to those who contribute certain amounts.

Business Expense Deduction: Your dues payment is not deductible as a charitable contribution but will, in general, be deductible for most members as an ordinary and necessary business expense, except to the extent provided in the next

sentence. Pursuant to the Revenue Reconciliation Act of 1993, MDC estimates that 49% of your dues payment will not be deductible as a business expense because of MDC's lobbying activities on behalf of its members.

Contribution amount if different than above

Contributions to political committees are strictly voluntary and no member will be subject to reprisal for declining to contribute. If you do not wish for any of your membership dues to be contributed to the MDC State PAC account, please sign here:
